SMIT'S PAVILJOEN
Café Restaurant

SMIT'S PAVILJOEN

Smit's Paviljoen has been Giethoorn's hotspot since 1935. 91 years ago, Smit's Paviljoen stood on a number of poles in the middle of the lake, making it only accessible by boat. Inside, it was not much bigger than the current bar. A small terrace around the Paviljoen made it complete.

Over time, the Paviljoen moved to its current location, where it was renovated several times over the years by the second and third generations to its current size.

The fourth generation is now working in the company, so innovations will not be long in coming.

WHAT ELSE CAN WE OFFER YOU :

RENTAL

Rent a boat, possibly with a picnic basket, and take a beautiful boat trip through the village canals and the nature reserve around Giethoorn.
